

I, Manon Losier, the duly appointed General Counsel and Secretary of the Financial and Consumer Services Commission of New Brunswick, hereby certify that the following Blanket Order was approved by Members of the Commission at a meeting held on 24 November 2014, with an effective date of 1 March 2015:

IN THE MATTER OF THE SECURITIES ACT, S.N.B. 2004, c. S-5.5 (the “Act”)

AND

IN THE MATTER OF

EXEMPTIONS FROM CERTAIN REQUIREMENTS OF SECURITIES LEGISLATION FOR
ISSUERS WHOSE SECURITIES ARE LISTED ON THE AEQUITAS NEO EXCHANGE INC.

Blanket Order 21-505
(Subsection 208(1) of the Act)

Definitions

1. Terms defined in the *Securities Act* (New Brunswick) or National Instrument 14-101 *Definitions* have the same meaning in this Blanket Order.

Background

2. Aequitas NEO Exchange Inc. (**Aequitas NEO Exchange**) is a listing venue that is recognized as an exchange or exempted from recognition as an exchange in all jurisdictions where such is required.
3. Canadian securities legislation distinguishes between venture issuers and issuers that are not venture issuers. A “venture issuer” is defined as a reporting issuer that does not have securities listed or quoted on certain named marketplaces. Aequitas NEO Exchange is not one of those named marketplaces. Accordingly, an issuer with securities listed on Aequitas NEO Exchange that does not have its securities listed on such named marketplaces (a **NEO Issuer**) would be a venture issuer.
4. Proposed amendments to Canadian securities legislation published by the Canadian Securities Administrators would result in NEO Issuers being issuers that are not venture issuers (the **Proposed Amendments**).

5. Pending implementation of amendments addressing the substance of the Proposed Amendments (the **Final Amendments**), Canadian securities regulatory authorities or regulators are implementing interim measures, including this Blanket Order, directed at having NEO Issuers comply with Canadian securities legislation as though they are not venture issuers.

Order

6. The Financial and Consumer Services Commission (the **Commission**), considering that it would not be prejudicial to the public interest, and provided that prior to becoming a NEO Issuer the issuer files an undertaking (in the form attached as Schedule A to this Blanket Order, or as otherwise permitted by the Commission) with the Commission, orders that until the Final Amendments take effect the provisions of Canadian securities legislation specified below do not apply to the NEO Issuer:
 - (a) all provisions of National Instrument 41-101 *General Prospectus Requirements* (**NI 41-101**) that would otherwise apply to the NEO Issuer solely as a result of the fact that it is a “venture issuer” (within the meaning of NI 41-101);
 - (b) the criterion under paragraph 2.2(e) of National Instrument 44-101 *Short Form Prospectus Distributions* (**NI 44-101**), which requires an issuer's equity securities be listed and posted for trading on a “short form eligible exchange” (within the meaning of NI 44-101);
 - (c) the criterion, under subsection 2.2(1) of National Instrument 44-102 *Shelf Distributions*, which requires an issuer's equity securities be listed and posted for trading on a “short form eligible exchange” (within the meaning of NI 44-101);
 - (d) section 2.25 of National Instrument 45-106 *Prospectus and Registration Exemptions*;
 - (e) all provisions of National Instrument 51-102 *Continuous Disclosure Obligations* (**NI 51-102**) that would otherwise apply to the NEO Issuer solely as a result of the fact that it is a “venture issuer” (within the meaning of NI 51-102);
 - (f) the requirement to file a notice under paragraph 11.2(b) of NI 51-102 in connection with the implementation of the Final Amendments;
 - (g) all provisions of Multilateral Instrument 51-105 *Issuers Quoted in the U.S. Over-the-Counter Markets*;
 - (h) all provisions of National Instrument 52-109 *Certification of Disclosure in Issuers' Annual and Interim Filings* (**NI 52-109**) that would otherwise apply to the NEO Issuer solely as a result of the fact that it is a “venture issuer” (within the meaning of NI 52-109);
 - (i) all provisions of National Instrument 52-110 *Audit Committees* (**NI 52-110**) that would otherwise apply to the NEO Issuer solely as a result of the fact that it is a “venture issuer” (within the meaning of NI 52-110);

- (j) all provisions of National Instrument 58-101 *Disclosure of Corporate Governance Practices* (NI 58-101) that would otherwise apply to the NEO Issuer solely as a result of the fact that it is a “venture issuer” (within the meaning of NI 58-101);
- (k) the requirement to deliver a “personal information form” (within the meaning of NI 41-101 or National Instrument 81-101 *Mutual Fund Prospectus Disclosure* (NI 81-101), as the case may be) under any of NI 41-101, NI 44-101, National Instrument 44-102 *Shelf Distributions* or NI 81-101, provided that the NEO Issuer has delivered a personal information form for an individual pursuant to Aequitas NEO Exchange Inc. Form 3, as amended from time to time, to which is attached a completed certificate and consent in the form set out in Schedule 1 – Part B of Appendix A of NI 41-101; and

UNDERTAKING

Background

1. Aequitas NEO Exchange Inc. (“**Aequitas NEO Exchange**”) is a listing venue for certain reporting issuers in one or more provincial or territorial jurisdictions in Canada;
2. the undersigned (the “NEO Issuer”) has applied to list its securities on Aequitas NEO Exchange;
3. a reporting issuer is categorized under Canadian securities legislation (as defined in National Instrument 14-101 *Definitions*) as a venture issuer or an issuer that is not a venture issuer (a “non-venture issuer”) by reference to the named exchange on which the reporting issuer is listed, and the reporting issuer must comply with the Canadian securities legislation applicable to that categorization;
4. the NEO Issuer is, or will be, a “venture issuer” as defined in Canadian securities legislation;
5. the Securities Regulatory Authorities are in the process of amending Canadian securities legislation to characterize issuers listing on Aequitas NEO Exchange, including the NEO Issuer, as non-venture issuers under Canadian securities legislation (collectively, with related amendments, the “Contemplated Amendments”);
6. the purpose of this Undertaking is to have the NEO Issuer comply with Canadian securities legislation applicable to non-venture issuers, notwithstanding the fact that the NEO Issuer is and will continue to be a venture issuer as defined under Canadian securities legislation for so long as the Contemplated Amendments are not in force;

7. the listing requirements of Aequitas NEO Exchange also require that the NEO Issuer meet the Canadian securities legislation requirements applicable to non-venture issuers and execute an undertaking agreeing to do so;

NOW THEREFORE the NEO Issuer hereby undertakes to the Securities Regulatory Authority in each jurisdiction where the NEO Issuer is or will be a reporting issuer, until such time as the Contemplated Amendments are effective, that:

1. it will publicly file this executed Undertaking on SEDAR;
2. it will comply with Canadian securities legislation, including but not limited to, the legislation listed in the Appendix, as though it were not a “venture issuer” and as though it were a non-venture issuer; and
3. where Canadian securities legislation requires the delivery of a personal information form (as defined under applicable Canadian securities legislation) and the NEO Issuer delivers a personal information form for an individual pursuant to Aequitas NEO Exchange Inc. Form 3 and other required documentation (the “**NEO PIF**”) in lieu of the personal information form, the NEO Issuer will comply with Canadian securities legislation as if the NEO PIF is a personal information form for the purposes of Canadian securities legislation.

In addition, if the NEO Issuer is or will be a reporting issuer in Ontario, Quebec or both, the NEO Issuer hereby undertakes, until such time as the Contemplated Amendments are effective, that it will not invoke the benefit of any of the following exemptions:

1. the exemption with respect to formal valuation requirements provided for in paragraph 4.4(1)(a) of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, and in Québec, *Regulation 61-101 respecting Protection of Minority Security Holders in Special Transactions* (collectively, “**MI 61-101**”);
2. the exemption with respect to formal valuation requirements provided for in paragraph 5.5(b) of MI 61-101; and
3. the exemption with respect to minority approval requirements provided for in subparagraph 5.7(1)(b)(i) of MI 61-101.

The NEO Issuer consents to Aequitas NEO Exchange applying to the Ontario Securities Commission on the NEO Issuer’s behalf for an order that the provisions of securities legislation that would otherwise apply to the NEO Issuer, solely as a result of it being considered a “venture issuer” until the Contemplated Amendments become effective, will not apply to the NEO Issuer.
