The application fee will not be refunded if you apply for the wrong licence type or if the insurer does not approve sponsorship.

To begin this process, you must have already <u>created a portal account</u>. If you require assistance creating a portal account, please refer to the <u>Portal Basics User Guide</u>. Please note that linking your portal account to prior licence information is not required if you are a first-time applicant.

My Licensed Firm and Restricted Insurance Representative

Your application has been submitted successfully.

What happens after I submit my application?

You can monitor the status of your application on the *My Licensed Firm and Restricted Insurance Representative* page (refer to the status column).

Once your Agency or Managing General Agent application is submitted it will be reviewed by your sponsoring insurer (an Adjusting Firm application does not require sponsorship). This review will result in one of the following outcomes:

• If your application was properly completed and raises no issues it will be approved by your sponsoring insurer, then moved to "Submitted to FCNB" status.

• If your application is incomplete or requires additional information, you will receive an email advising more information is required by your sponsoring insurer. You must then log back into the portal and add the additional information to your application and re-submit.

• If your application is complete, but you do not meet the requirements for sponsorship, you will receive an email advising that your application has been rejected by your sponsoring insurer.

Once your application is submitted to FCNB, it will be reviewed by FCNB staff. This review will result in one of the following outcomes:

• If your application was properly completed and raises no issues, you will receive an email advising that your application is approved. You can then download your new licence from the *Actions* page (accessed by selecting the *Manage* button).

• If your application is incomplete or requires additional information, you will receive an email advising more information is required. You must then log back into the portal and add the additional information to your application.

• If your application is complete, but you do not meet the requirements for licensing, you will receive a letter advising that the Superintendent of Insurance intends to reject your application. You have certain rights in this case, details of which will be provided to you in the letter.

Please do not call our office to check on the status of your application unless you believe there is an issue with the submission. Refer to the *My Licensed Firm and Restricted Insurance Representative* page of the FCNB Portal to verify your application's status.

For questions about this process, please email <u>insurance.licensing@fcnb.ca</u>.
