General Insurance Agent Licence Transition Quick Start Guide

January 2023

Summary

- The Financial and Consumer Services Commission of New Brunswick (Commission) will send out an email to current **Non-Resident Other Than Life Insurance Agent or Broker** licensees before their current licence expires, allowing the licensee to submit the “Request New Licence Type” filing via the Commission's [Portal](#).
- If you currently hold a Non-Resident Other Than Life Insurance Agent or Broker licence:
 - You may use the link included in the email or go directly to the [Portal](#) to submit the “Request New Licence Type” filing. You will use your existing username (email address) and password for the portal.
 - You must review the details of the [licensing qualifications and educational requirements](#) and select the appropriate **General Insurance Agent** licence (level 1,2, or 3).
 - You must submit details of any **educational courses and equivalent training and experience** you have completed.
 - If you do not have the required education courses, you should detail your equivalent training and experience clearly. The Commission will assess your equivalent training and experience to determine the appropriate licence level.
 - Once the filing has been reviewed and approved, you will receive confirmation from the Commission. If the approval is within 8 weeks of the existing licence expiry date, the option to “Renew” your new General Insurance Agent licence will become available on the [Portal](#).
