# Introduction

---

This guide explains the Financial and Consumer Services Commission of New Brunswick's (Commission) [portal](#) licence application process for Agent, Adjuster, and other individual licence applicants. This guide can be used for a new licence application and for renewals.

Before beginning the application process, familiarize yourself with [Rule INS-001 Insurance Intermediaries Licensing and Obligations](#) (Rule) and the requirements for each licence type. **The application fee will not be refunded if you apply for the wrong licence type or if the insurer does not approve sponsorship.**

To begin this process, you must have already created a [portal account](#). If you require assistance creating a portal account, refer to the [Portal Basics User Guide](#).

## Introduction and selection of licence type

Select the type of licence you wish to apply for.

1. If an error has been made, a new application must be started by going back to the *Insurance Licences* page and selecting **Add**. If you have a draft application with an incorrect licence type selection and would like to have it deleted, please send an email request to [insurance.licensing@fcnb.ca](mailto:insurance.licensing@fcnb.ca).
2. Note, once you select **Next**, you will be unable to make changes to this selection, and the application fee will not be refunded if you apply for the wrong licence type or if the insurer does not approve sponsorship.

## What happens after I submit my application?

You may view the status of your application by reviewing the *Insurance Licences* page (refer to the **status** column).

At anytime you may login to the [Portal](#) to monitor the status of your application. Once the application has reached the **Submitted to FCNB-PAID** status, the targeted turnaround time is 10 business days. Due to increased volume during the renewal periods, you may experience delays. Applications cannot be expedited.

### Possible reason(s) for delay:

- Missing information, the application is returned to the applicant to complete and resubmit. This will send the application back to the Insurer for review before returning to the Commission for final review.
- Suitability reviews may also delay processing
- Occasionally, applications may become delayed during the approval at the Insurer approval level, at which time we ask the applicant to contact their Sponsoring Insurer directly.

Before contacting our office, refer to the *Insurance Licences* page of the [Portal](#) to verify your application's status.

For questions about this process, email [insurance.licensing@fcnb.ca](mailto:insurance.licensing@fcnb.ca).

## What if my application requires more information?

In such a case, you will receive a system generated email advising more information is required.

To access your application and complete your Missing Information Request, follow the steps below:

- Log in to the [Portal](#).
- On your *Insurance Licences* page, select **Manage** next to the licence.
